Welcome to the 2011 State Fair!

Few states in our great nation can rival the important role agriculture plays in its economy as much as it does here in Indiana. That's why I love this time of year and the Great Indiana State Fair, where agriculture is promoted and celebrated by Hoosiers from every part of our state.

The fair is the one time of the year that people of all backgrounds come together, enjoy time with family and friends and take time for some of life's simpler pleasures. My wife, Cheri, and I have always loved the State Fair and this year we're happy to be celebrating the YEAR OF SOYBEANS and the \$2.5 billion economic impact the soybean industry has on our state.

Cheri will again be leading the Heartland Walk for Health (Aug. 13), and I hope you'll take time to join her on the two-lap walk around the Fairgrounds to help raise awareness about heart disease. You can also take part in the INShape Indiana SummerFit Plaza activities next to the Hoosier Lottery Grandstand where you will find all kinds of great information and resources on staying fit.

Germany will be featured in the International Pavilion this year, which will be an ideal backdrop for the millions of Hoosiers that come from German heritage. Here, people will experience the German culture firsthand through the performing arts and authentic cuisine. There is also a display of the immigrant experience and the rise and fall of the Berlin Wall.

I know many Hoosiers are still struggling and trying to cope with the high price of gas and other necessities, but I encourage you to take advantage of the wonderful, affordable family experience you will find at the Indiana State Fair. It's a value that is hard to match and will provide you with memories that are lasting and priceless. Enjoy!

Sincerely,
Mitch Daniels

ENJOY THE FAIR...WASH YOUR HANDS ★ ★ ★

One of the best parts of the Indiana State Fair is getting close to all the different animals. The safest way to enjoy the animals is to make sure to wash your hands after each time you have contact with any of them. This is especially true for young children.

As you stroll around the Fairgrounds, you will notice dozens of hand-sanitizing stations and restrooms. Please use these to keep your hands clean, especially if you are preparing to enjoy some of your favorite fair foods. In fact, you should make sure to clean with soap and hot water before you eat.

Be smart, stay healthy! Pet the animals, then WASH YOUR HANDS! It's the best way to enjoy your Great Indiana State Fair.

Help US...Help the Environment!

Look for the designated "Green" bins to recycle your empty plastic beverage bottles and aluminum cans. Thanks for doing your part to "Green" the Great Indiana State Fair.

Willkommen To GERMANY

ENTERTAINMENT, EXHIBITS & SPECIAL FEATURES

The State Fair is filled with entertainment – it's everywhere! The daily schedules in the back of this program list everything going on each day, and we've highlighted some of them here. Enjoy!

"Willkommen to Germany!"

Created in partnership with Indiana German organizations and the Indiana Economic Development Corporation, this exhibit presents both traditional and contemporary Germany and the close ties the country has with Indiana. German performances, food and displays will take visitors on a trip overseas!

"Year of Soybeans" presented by Indiana Soybean Farmers

Composed of both protein and oil, soybeans have thousands of uses from feeding pigs, cows and poultry to creating candles, paint and biodiesel. We will celebrate this \$2.5 billion industry and the Hoosier farmers who grow them with a variety of fun displays and activities throughout the Fair.

Fido 500/Weiner 100 Mini-Dog Races presented by Eastgate Chrysler Jeep Dodge & Westgate Chrysler Jeep Dodge

Some of the country's best German-breed canine athletes race around a track in the Grandstand Side Lot each day of the fair. Cheer on the Dachshunds, Miniature Schnauzers and more at noon, 2:30 and 5 pm.

MHS presents The Stars of the Peking Acrobats®

Hailing from the People's Republic of China, The Peking Acrobats® are comprised of that country's finest gymnasts, jugglers, cyclists and tumblers. Only the best can perform such unbelievable feats of balance, strength and grace while also demonstrating many examples of the Chinese culture. Since 1958, this elite group has toured the world over entertaining audiences with its precise presentation of their ancient folk art and acrobatics with a little bit of humor mixed in. They perform three shows daily in the Dow AgroSciences Celebration Park.

Timberworks Lumberjack Show

Located in the Riley Fun Park, these performing outdoorsmen compete in events such as axe throwing, speed pole climbing, hot sawing and the ever-popular log rolling. They will have three free shows daily throughout the fair.

Blue Monkey Sideshow

Family entertainment "with an edge," this professional performance troupe will be at the fair Aug. 10 – 21. Visitors can witness their incredible feats of skill and endurance at the west end of the Dow AgroSciences Celebration Park.

Super Bowl XLVI

Super Bowl XLVI is coming to Indianapolis in February, 2012! Get a glimpse of the action, excitement, and fun things to do even if you don't have a ticket to the Big Game, daily 10 am-9 pm in the Expo Hall.

"Time for Fun" sculpture

Auguste Renoir's famous painting "Dance in the Country" is brought to life in a 20-foot bronze sculpture that will stand in the Dow AgroSciences Celebration Park throughout the 17 days of the fair.

Priefert Percherons

All the way from Mt. Pleasant, Texas, Jason Goodman and his magnificent team of big, black, beautiful Percheron Draft horses will show off their amazing moves in the Pepsi Coliseum Aug. 12 – 21. This high energy exhibit is a living tribute to yesteryear when America relied on real horse power to get things done, equally featuring Goodman's expert horsemanship and the team's power and grace.

Habitat for Humanity Home

Volunteers for Habitat for Humanity of Greater Indianapolis with the support of many Indiana agricultural entities are constructing a 4-bedroom home on the fairgrounds' north side for the first 15 days of the fair (there will be an Open House on the fair's final weekend). The home will be transported to its permanent location after the fair for its new owner.

Douglas David paints "Farm to Fair"

Indiana's rich agricultural heritage will be celebrated in a series of paintings by one of the state's most celebrated painters, Douglas David. The paintings will be done in the Normandy Band and will depict the path of Indiana's abundant agricultural products to the treats offered at the Indiana State Fair. This program has been made possible in part by support from the Indiana Humanities Council.

Indiana State Fair Futsal Soccer Tournament

Indiana Soccer will conduct youth and adult Futsal tournaments in the Dow AgroSciences Celebration Park Aug. 5 – 7. What is Futsal? Did you know...that there are **THOUSANDS of uses** for soybeans? You may not realize it, but soybeans play an important role in our daily lives!

...They're a **nutritious source of protein**, acting as a star ingredient in hundreds of food products – and as part of a healthy diet for pigs, cows and poultry

...They make **everyday household items** safer for the environment – from candles, paint and cleaning solutions to cars and carpet

...They produce **renewable energy** in the form of biodiesel, a cleaner-burning diesel fuel

With all these uses for one mean little bean, Indiana soybean farmers and their families are hard at work to ensure that we have **safe, nutritious and abundant choices** at the grocery store and beyond – all while caring for our land and using innovative farming practices that **conserve our natural resources**.
